## What Others Have Experienced

" Fantastic! Take it! This course offers a wonderful foundation for understanding the Brain Gym and Vision Gym activities. Carol Ann is a superb teacher and facilitator. Thank you so much Carol Ann – this is a wonderful contribution."

Gail Dennison, Creator of Visioncircles and other Edu-K courses .

"This course is a must for every person who is in Edu-K. Carol, this course needs to be in the core requirements. I have a deeper understanding of core issues and will integrate this information into my private consultations and courses for people who have special needs. Cecilia Freeman, Author of "I Am the Child"

### About the Instructor

Carol Ann Erickson, B.S. has been an Edu-K instructor for 25 years and is a member of the International Faculty. She has an extensive background of over 35 years experience in education and athletics. She has created Brain Gym courses and programs specifically designed for educators, athletes, teens and children; teaches Brain Organization Profiles, Visioncircles, and the Movement Exploration series. Carol Ann's courses have been acclaimed both here and abroad.
